Youth is a time of innocence.
It is the morning time of life when all is change and wonder.
It is a world of sudden friendships . . . and short sorrows . . .
quiet moments . . . and serious thoughts.
Youth is a magic place of dreams . . .
where everything is possible
and the best is just beginning.
Youth is a timeless place . . .
where minutes are not numbered
and hours are sweet with happiness.
It is a time for running . . . and reaching . . . and touching . . .
and seeing . . . and tasting . . . and hearing . . . and learning.
It is joy . . . and laughter . . . and make-believe.
YOUTH is the happy hour . . .
the passing dream . . .
the tender time of innocence
that is part of us forever.

*1968-69 Student Council
Leads Student Body*

The Student Council of Hendersonville High School is a representative body of students who are elected by their respective homerooms. The council acts as a medium through which student opinion is expressed; council activity is related to the student body. The executive board, consisting of Powers English, President; Mike Freeman, Vice-President; Diane Rhodes, Secretary; and Jim Reese, Treasurer, work together with Mrs. Croft and Mr. Lappin, faculty advisors.

During 1968-69 the council continued many of its services. It sponsored Freshman Orientation Day, the public telephone, helped with the Diabetes Detection Drive, sold Student Directories, aided the special education classes, sponsored the Homecoming Parade and the Homecoming and Twirp Dances. In an effort to raise funds for an AFS student for next year, Student Council again sponsored the Bottle Drive in March. In an attempt to improve the conduct, attitude, and operation of the Student Body, Student Council proposed an Honor Council for HHS.

Each fall the top five per cent of the Junior Class and the top ten per cent of the Senior Class are tapped for membership in the Valentine Chapter of the National Honor Society, on the basis of character, leadership, service, and scholarship.

Each six weeks the Honor Society presents the scholarship cup to the homeroom with the highest scholastic average. In the spring the society honors the top twenty-five per cent of the Sophomore Class with the Sophomore Tea. Members of the Honor Society sell tickets at athletic events and hold tutoring classes.

Bearcat Echoes is the musical voice of HHS. Under the talented direction of Mrs. Pauline Poplin and club president Alan Hall, the Echoes have succeeded in giving the students of HHS the chance to express their musical talent through singing.

A singing assembly sponsored by the Echoes this year featured the Mars Hill Choir. Several Echo members later attended the Western Carolina Choral Clinic at Mars Hill where they received special training.

Voice of Democracy

This year our school was honored to again provide the Western Carolina District with its representative in the Voice of Democracy contest which is sponsored by the Veterans of Foreign Wars. In competition at school, Bill Eudy placed first, closely followed by Powers English and Mark Wendling, who were second and third, respectively. Bill went on to win the county-wide and the district competition. His speech, based on conquering freedom's enemies, won him third place in state-wide competition.

Welcome to an Arabian Night

Good-Bye, Dear Seniors

Soon you will be gone
We can see it
Soon you will be gone
From H.H.S.
Soon you will be gone
We'll be sad to see you go.

Entering as strangers
Parting as friends
High school life is o'er
And the future begins
Set a worthy goal
And make us more proud of you.

You'll go your separate ways
Into life's bright future
Meet your challenges
With heads held high
The Class of '69
Is wishing good luck to you.

During this past year the Student Body has taken into its heart a wonderful Chilean girl. Christina Herzog, from Concepcion, Chile, has spent this year in Hendersonville with Katina Edney and her parents, Mr. and Mrs. Kermit Edney. Chris has amazed the students with her ability to overcome the language barrier and to achieve an outstanding academic record. Chris will always be one of the most pleasant memories the '69 school year had to offer.

Blessed are they who have the gift of making friends, for it is one of God's best gifts. It involves many things, but above all, the power of going out of oneself and seeing and appreciating whatever is noble and loving in another.

The time of Hendersonville High School 1969 is quickly passing. For some there will be no more seven minute breaks or "short" fifteen minute announcements, no more Pep Rallies, and no more *Hail to the Red and White*. The year has gone too quickly and only a few fleeting moments remain in which we may consider ourselves a part of H.H.S. The Senior has given to his school but the rewards he will carry with him are far greater. His thoughts are many; his emotions, mixed. He has changed since orientation. Looking back he can see all that H.H.S. really is.

Hendersonville High School is not just a school, it is the student—the student's spirit. It is a smile as one greets a friend, the pride of the crowd in their winning team. These are reflections of the "spirit of H.H.S.." Without the laughter, the sadness, the excitement, or the confusion, H.H.S. would be three empty buildings with no other purpose than to silhouette a skyline. The spirit of Hendersonville High School, Mr. Bearcat, makes the difference.

It is simple to say that one's dreams seldom become realities. When we began the 1969 LAUREATE almost a year ago, we hoped to represent this year's events and to make this book express the spirit of H.H.S. The intent observer may glimpse our efforts within these covers for we have tried to say many things.

We have tried to place emphasis on life and to show you as you are—real people. We have tried to eliminate copy as much as possible so that our interpretations might not mar your special memories. From the moment you begin to look at this book until the moment you close its covers, you will see many changes. We made these changes because we felt that through them we could form one picture—one memory that would depict H.H.S. These changes were made, not to break with tradition for traditions sake, but to reveal H.H.S. as it should be remembered. If we were right, hundreds of you would not make us change. If we were wrong, those of you proclaiming our faults could not make it so.

Looking back, we find that there is much we would wish improved. However, when this book is delivered to you, the Student Body, we will hold a great deal of pride in what we have accomplished. We ask only that you accept the '69 LAUREATE as our total attempt to serve you. We dedicated ourselves to do our best. Years from now when someone comes across this dusty volume, we believe that our dreams will have become realities.
